**Don't forget your old friends  
when you make new ones.**

**In emergency  
cases one knows  
their friends.**

**T**he older I get, the more I learn.

It's hard to  
be beautiful.

**If you say the right things, you will convince people fast.**

**N**othing dries faster than a tear.

**Who's haunting for two hare,  
ain't catching one.**

If the wine is in  
the man, the  
wisdom is inside  
the pitcher.

Who's been born for 10 cents, will never become a quarter (25 cents).

**A big city means  
a large way of  
Loneliness.**

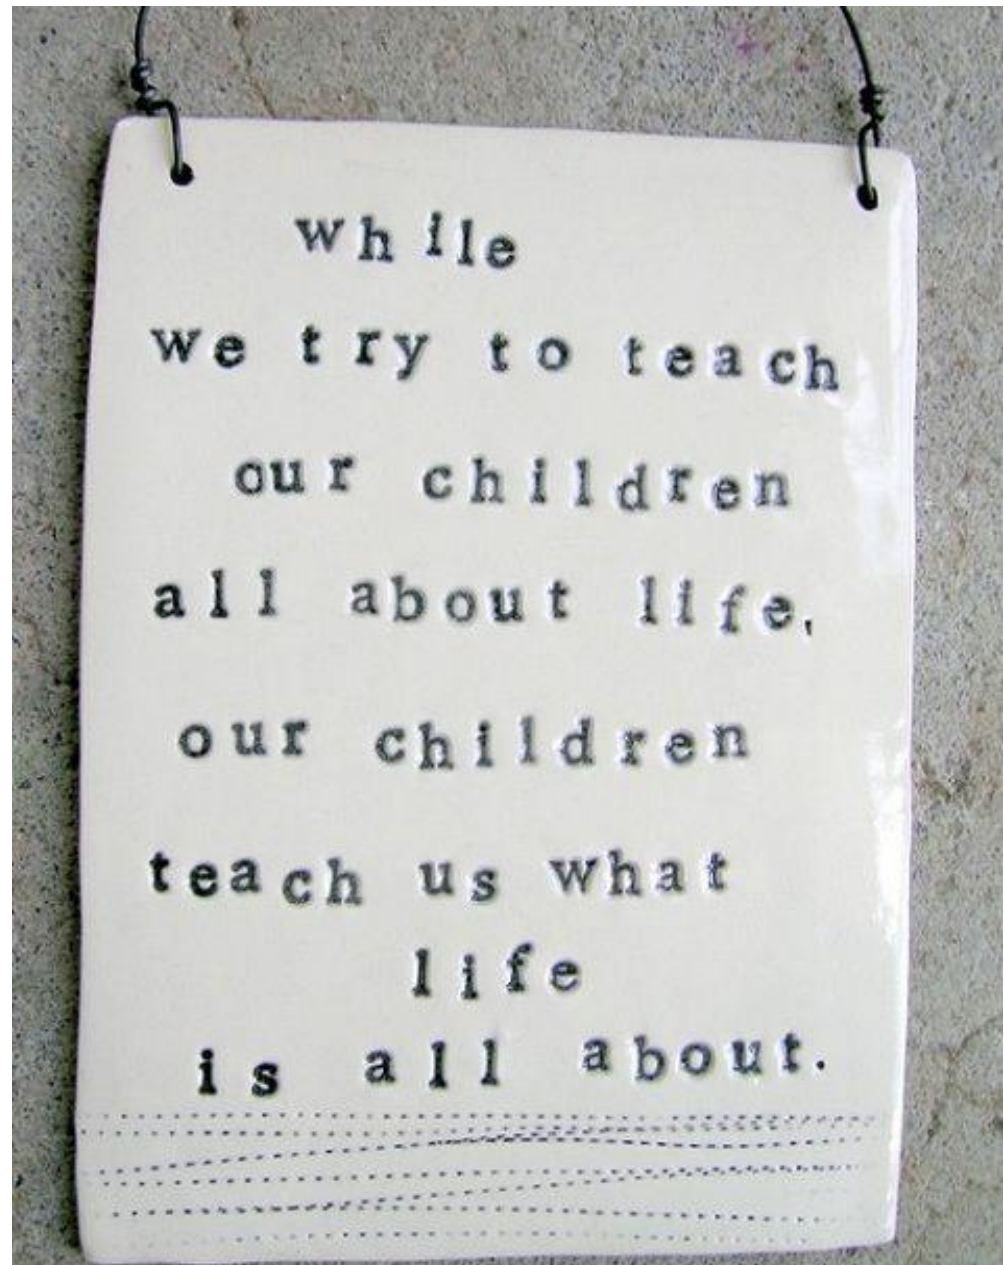

**YOU KNOW MY NAME, NOT MY  
STORY. YOU'VE HEARD WHAT I'VE  
DONE, NOT WHAT I'VE BEEN  
THROUGH.**

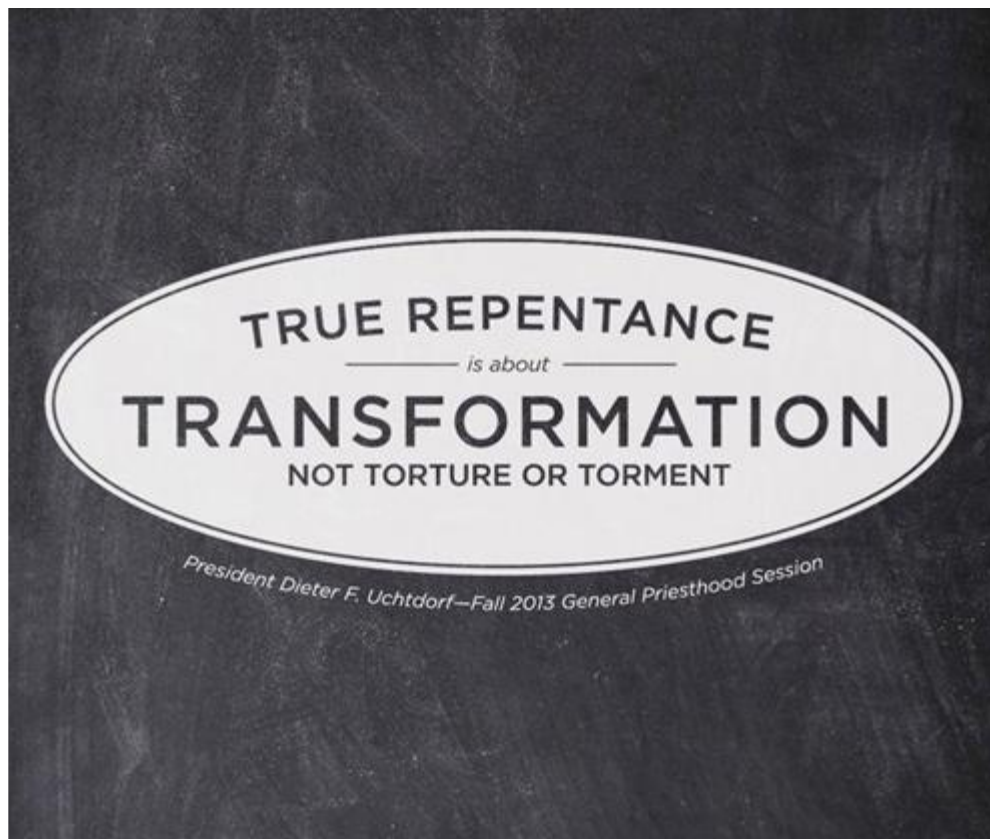

**T**he first part of wisdom is that  
you know yourself.

A life without  
books is not  
worth living.

The egg  
shouldn't want  
to be more  
wise than the  
hen.

It's the stupidest thing, to learn things that you must forget during the days.

The true  
luck exist  
only in  
the illusion  
which  
people  
make.

He, who has the power to understand how to live with themselves, will never be bored.

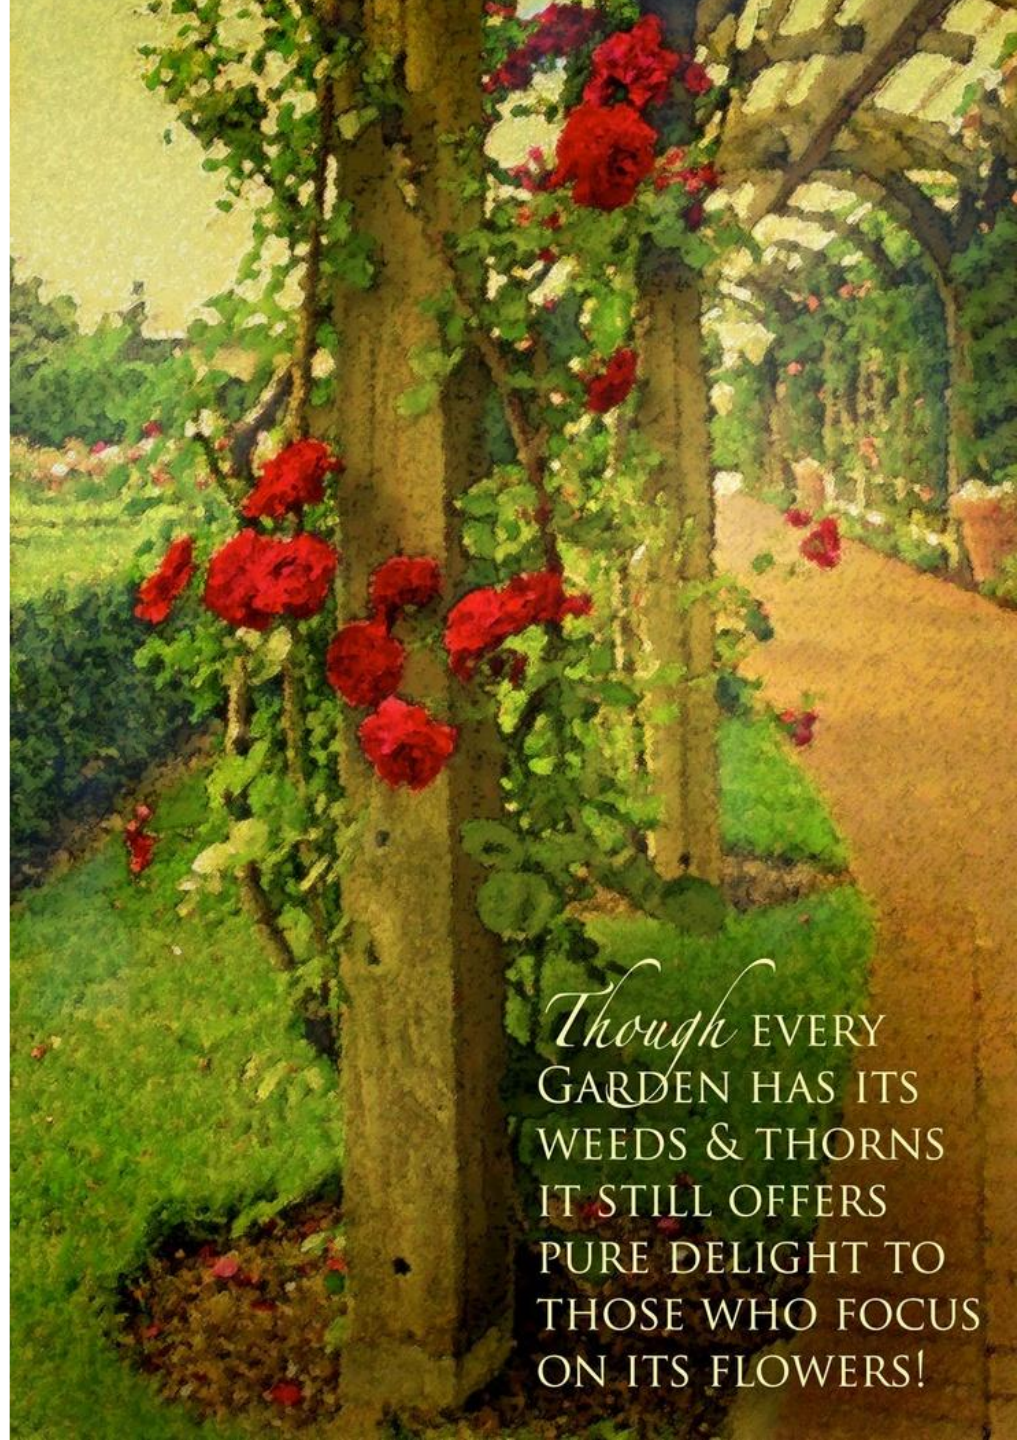

Is it possible that someone who hates his self loves someone else?

You can't hide love, nor cough.

Also under  
thorn bushes  
grow roses.

*Though* EVERY  
GARDEN HAS ITS  
WEEDS & THORNS  
IT STILL OFFERS  
PURE DELIGHT TO  
THOSE WHO FOCUS  
ON ITS FLOWERS!

**A**fter all the human soul is simply set so that the appereances reality impresses her more than reality.

**M**any people act like they are rich,  
but when they're at home they suffer.

Woman has especially a weakness for the clergy, because they can stand their feelings about their spouses.

Because the truth has always a certain natural power to please, if there's nothing hurtful added.

“Telling the truth and making someone cry is better than telling a lie and making someone smile.”

-Paolo Coelho

What happend, can't be undone.

Those who  
rush the most  
in the  
beginning, will  
make the  
least progress  
in the end.

Once they are sober from sleeping one night, their worries come back as soon as possible.

**I**t's not the unimportant part of a task to know how you will manage it.
